Your Path
to the
Student-Athlete
Experience

Do You Wish to Participate in NCAA Division I or II Athletics?

If you wish to participate in NCAA Division I or II athletics, you need to be certified by the NCAA Eligibility Center. You need to qualify academically and you need to be cleared as an amateur student-athlete.

You are responsible for achieving and protecting your eligibility status!

Your Path to the Student-Athlete Experience

For a Complete List of NCAA Courses

Log on to www.eligibilitycenter.org. Select "For High Schools" and then "List of NCAA Courses." Follow the prompts to search for your high school's list by name.

Division I (16 Core Courses)

- 4 years of English.
- 3 years of mathematics (Algebra I or higher).
- 2 years of natural/physical science (1 year of lab if offered by high school).
- 1 year of additional English, mathematics or natural/physical science.
- 2 years of social science.
- 4 years of additional courses (from any area above, foreign language or non-doctrinal religion/philosophy).

Division II (*14 Core Courses)

- 3 years of English.
- 2 years of mathematics (Algebra I or higher).
- 2 years of natural/physical science (1 year of lab if offered by high school).
- 2 years of additional English, mathematics or natural/physical science.
- 2 years of social science.
- 3 years of additional courses (from any area above, foreign language or non-doctrinal religion/philosophy).

**Beginning August 1, 2013, students planning to attend an NCAA Division I or II college or university will be required to complete 16 core courses.*

Checklist for College-Bound Student-Athletes

- Complete the registration process with the NCAA Eligibility Center at the beginning of your junior year at www.eligibilitycenter.org.
- Ask your high school counselor to send your transcript to the Eligibility Center at the end of your junior year.
- Take the ACT or SAT and use the code "9999" to have your official scores sent directly to the Eligibility Center.
- Check with your high school counselor to make sure you are on track to graduate on time with your class and have the required amount of core courses.
- Request final amateurism certification during your senior year (beginning April 1 for fall enrollees and beginning October 1 for spring enrollees).
- Ask your high school counselor to submit your final transcript with proof of graduation.
